Registration is required as this event will be cancelled or rescheduled if there is inclement weather or unfavorable conditions. **Please register** by contacting the leaders or through Valley Forge Audubon Society’s MeetUp group at www.meetup.com/Valley-Forge-Audubon-Society-Calendar-of-Events/

Scott's Run
Sunday May 31, 8 am**

French Creek State Park is an Important Bird Area, and the Scott's Run Lake area provides especially good birding with its mix of deep woods, fields, riparian areas, the lake, and early successional habitat. Flycatchers, warblers (including Hooded), and vireos should be abundant. This walk of about 2 miles will cover varied terrain with some moderate hills.

Directions: Once in French Creek State Park, take Scott's Run Rd to the loop road leading to the Scott's Run boat launch. Drive past the boat launch and the restrooms for about 1/10 mile to a long parking area where we will meet.

**Bird/Nature Walk: Hopewell Furnace NHS
Baptism Creek
Sunday June 7, 8 am**

The Baptism Creek watershed in Hopewell Furnace NHS is a deeply forested area that is home to a large variety of birds. This walk of approximately 2 miles will be on trails that are uneven, rocky, and possibly muddy and which are usually not accessible to a group, but Hopewell Furnace NHS is graciously allowing parking access for this event.

Directions: From the main entrance to HFNHS on PA-345, go east on Hopewell Rd for about 1/10 mile. Parking will be in a designated area on the north side of Hopewell Rd.

**Wings, Wines, and Worts
Manatawny Creek Winery
227 Levensgood Rd, Douglassville, PA
Saturday August 1, 8 am**

Expanding upon our popular Brewbirding series, this bird walk will take place on the grounds of the Manatawny Creek Winery. This lovely 90-acre property on the banks of the Manatawny Creek has a self-described "tremendous bird problem" as birds are attracted to the wonderful-tasting grapes in the vineyards. It makes for more work for the winery as they have to net their vines, but it's great for birders!

Following our morning walk we will relax at the tasting room where many award-winning wines (some with birds on the labels) as well as up to 5 house-brewed beers may be enjoyed. The winery has snacks for purchase but participants are welcome and encouraged to bring a sack lunch.
